Tzu Chi University
The Institute of Medical Sciences
Ph.D. Qualifying Examination Application Form

Date:

Name：_____ Student ID No.：_____

The _____ academic year of the Ph.D. study.

The Qualifying Examination consists of an oral examination with a written non-thesis proposal. Please submit two non-thesis topics along with your main research project to your Advisory Committee for evaluation before handing in your topics to the institute office. The institute director and deputy directors will decide a topic for your non-thesis proposal.

※A non-thesis proposal should meet at least ONE of the following criteria:

1. The research subjects of proposal are NOT similar to those of the student's Ph.D. thesis (a certain characteristic of life, physiological state, pathological conditions, chemicals and toxic substances, health conditions, social phenomena, etc.).
2. The research models of proposal are NOT similar to those of the student's Ph.D. thesis (Animal models, cell models, biochemistry models, physiological or pharmacological model, etc.).

Main research (thesis) topic: _____

Non-thesis proposal topic I: _____

Non-thesis proposal topic II: _____

Materials Required for Applications:

1. A completed application form.
2. The abstracts of your proposals.
3. A transcript for your study (students who are on the direct transfers form MSc to Ph.D.. Program, please also hand in a transcript for your MSc study).
